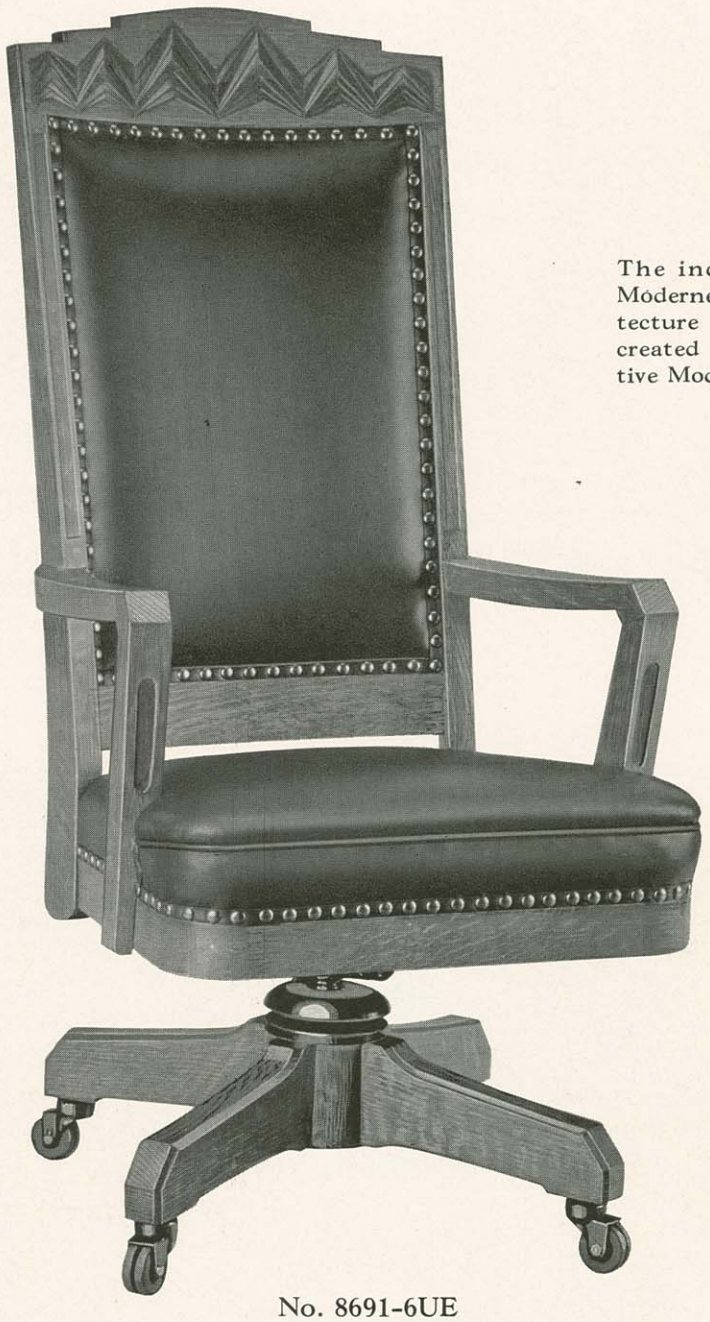
CHAIRS FOR OFFICES

BANKS AND OTHER PUBLIC INSTITUTIONS

Introduction

When the Crocker Chair Company ceased to operate, we purchased all the machinery and equipment necessary to perpetuate this line and now have in our employ the most skilled of their former craftsmen; the very men who built the product upon which the Crocker Chair Company gained their enviable reputation as outstanding manufacturers of Office Chairs. Thru their craftsmanship and the supervision and traditions of the Sheboygan Chair Company, we are offering the Trade a line of Office Chairs in which the business man will find the highest quality of workmanship as well as the finest of materials.

TYPICAL INSTALLATIONS



The increasing popularity of Moderne Influence in the architecture of public buildings, has created a demand for conservative Moderne chairs.

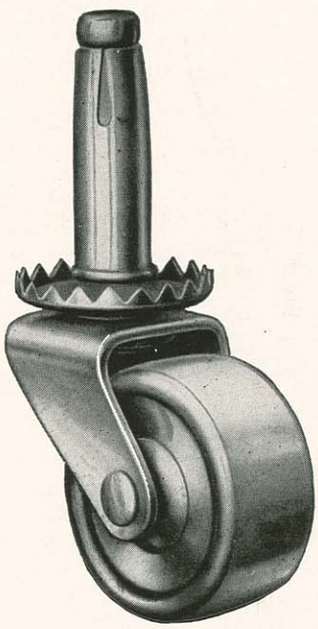
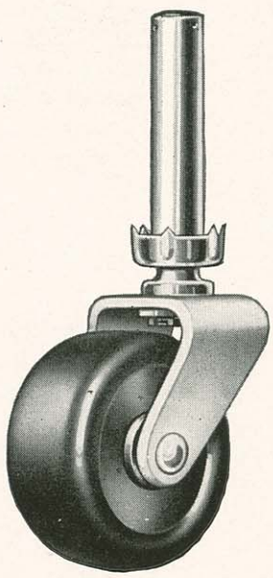
Casters



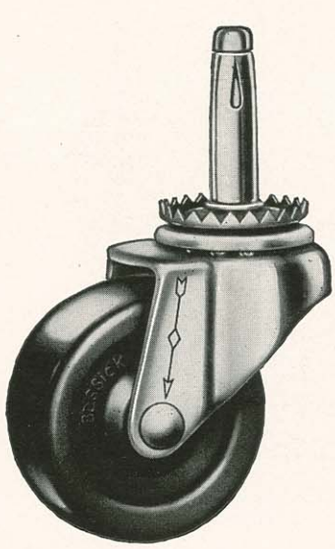
No. C-1

No. C-1 steel wheel caster represents a combination of high quality and moderate price and is an excellent caster for general use.



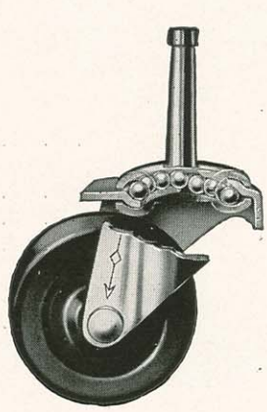
No. C-2

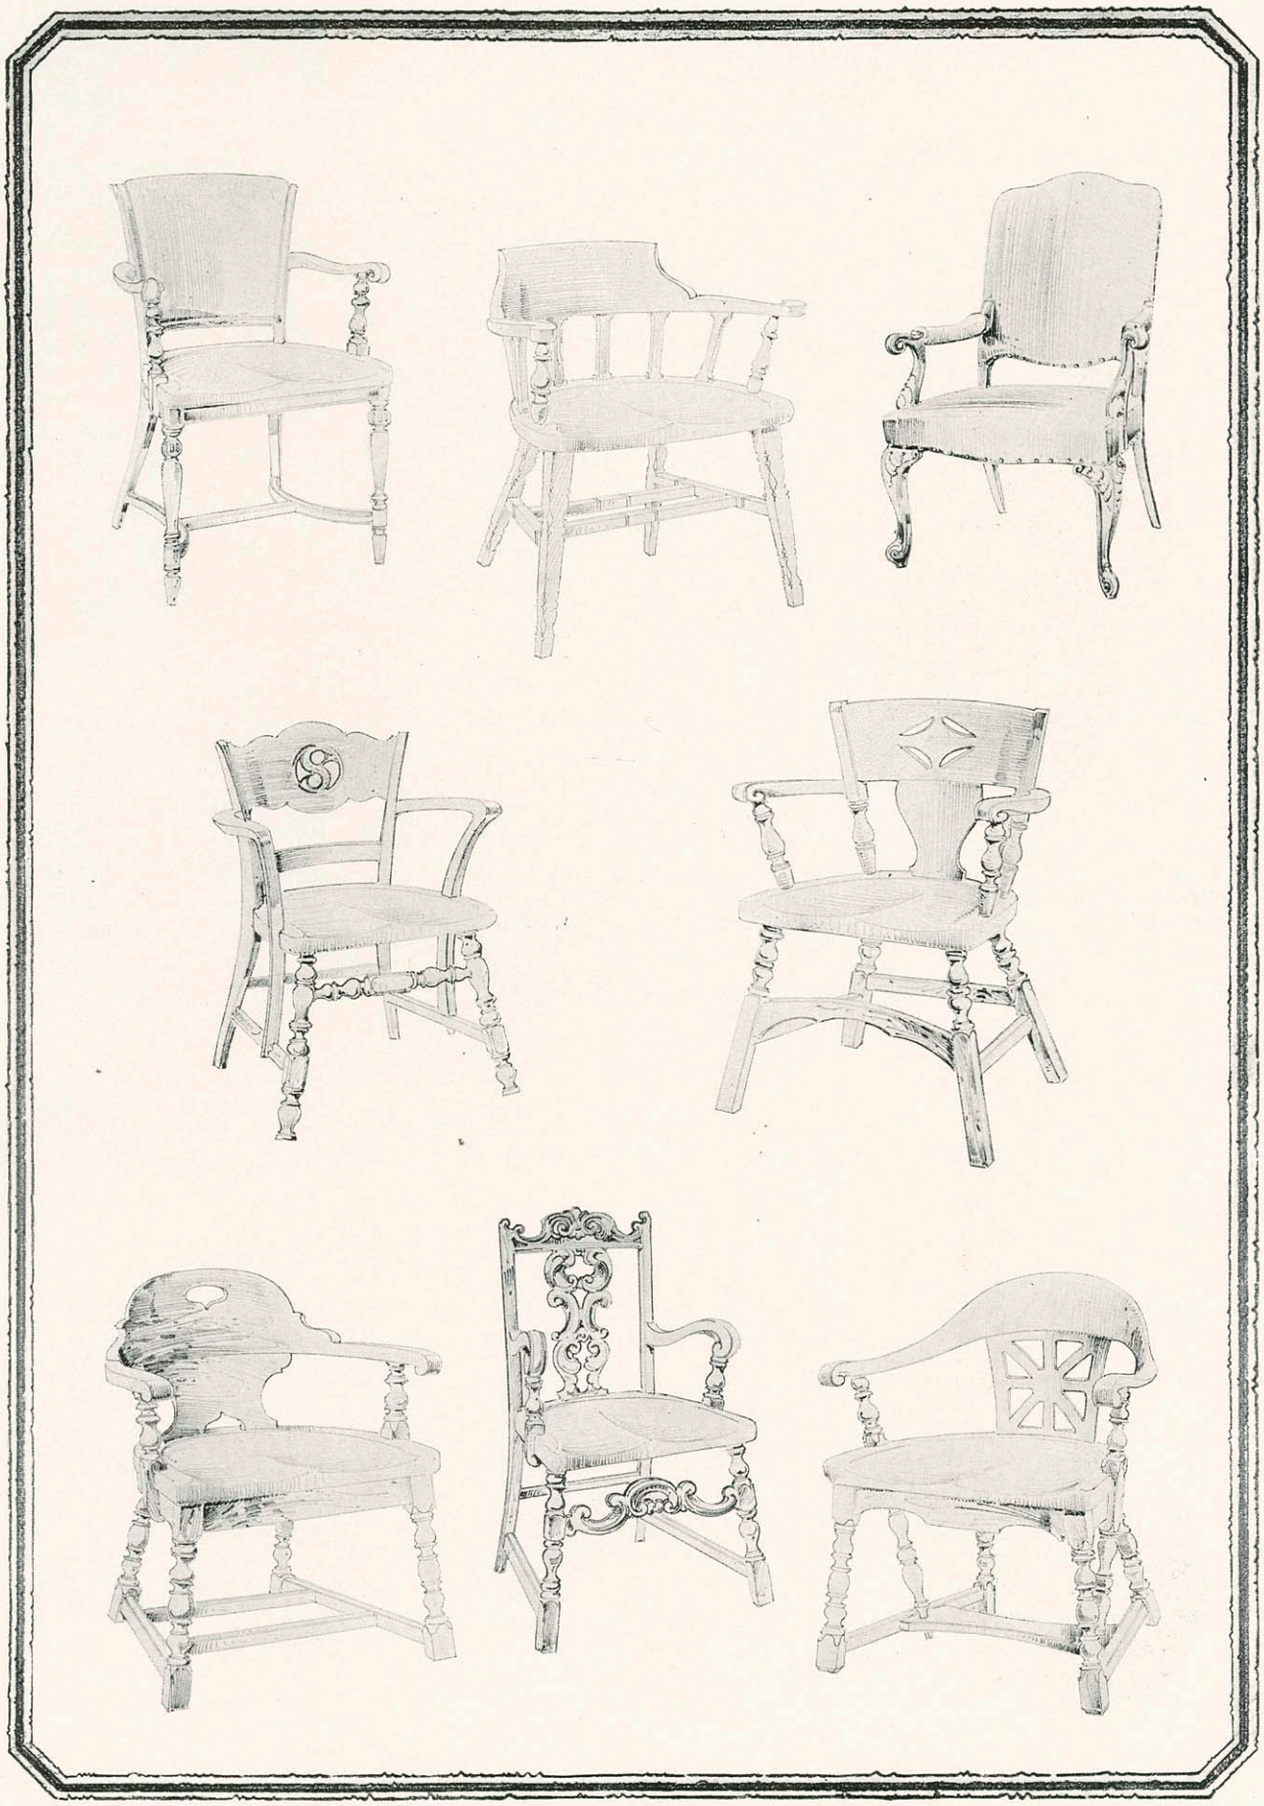
No. C-2 Bassick Diamond Velvet Caster has earned a reputation of being absolutely "fool proof" and "trouble proof"—the finest all-purpose furniture caster ever manufactured.



No. C-3

The Diamond Arrow Caster represents the most remarkable development in ball bearing caster construction in many years. Utilizing an entirely new patented principle of ball bearing operation developed by Bassick engineers, it provides maximum efficiency in swiveling with strength and economical cost.





Typical Specimens of our Contract Department

(Over)

In addition to the chairs shown in this catalog, we are ready to manufacture special chairs for almost any public usage. We maintain a Contract Department that specializes in chairs of individuality and sturdy construction.

When working on a contract job, do not hesitate to ask us to work with you. We will be pleased at all times to submit attractive sketches and lay-outs with interesting prices based fairly and squarely on quality and quantity wanted.
