⁴ This list is confined to Polish officials who attended meetings or discussions in connection with the Berlin Conference which were attended also by officials of the United States Government.

LIST OF PERSONS MENTIONED

EDITOR'S NOTE.—The identification of the persons in this list is limited to circumstances and positions under reference in the papers printed in this volume, and is for the year 1945 unless otherwise indicated. Unless there is indication to the contrary, titles and positions given are those held in or for the United States Government. Authors, journalists, and composers are not included in this list unless they are mentioned in the papers printed in some other capacity.

Persons whose names are preceded by an asterisk were present at Berlin or Babelsberg at some time during the course of the Berlin Conference.

In this list, names with diacritical marks (e. g., ö and š) are alphabetized as if they were English names with no diacritical marks, rather than in the position which they would occupy if alphabetized in their original language. Likewise transliterations (e. g., *Kh* for the Russian *X*) are alphabetized in English letter order.

ABDERHALDEN, Emil, Institute of Physics and Chemistry, Halle, Germany.
