

# Wisconsin engineer

Published by the students of the University of Wisconsin-Madison

VOLUME 117, NUMBER 3

MAY 2013

## Feature General

- 16 6th Annual Photo Contest Finalists**
- 4 Time Cloak**  
Researchers at Cornell make events invisible in time  
By Charlie Duff
- 6 Beyond Zydeco: The Future of DARE**  
The Dictionary of American Regional English published its sixth and final volume earlier this year  
By John Steeno
- 8 The Reusable Launch Vehicle- Mankind's Next Step into the Stars**  
Private companies begin the search for economic spaceflight  
By Richard Zuern
- 10 Professor Profile: Jake Blanchard**  
The chair of the engineering physics department talks fusion reactor design, micro machines  
By Casey Sennott
- 12 Green Cleaning**  
How UW-Housing uses technology and innovation to save money and the environment  
By Lori Bierman
- 13 A Driving Force in Alzheimer's Research**  
The continued search for the neurological causes of Alzheimer's disease  
By Alice Huang
- 14 A Master Plan for UW-Madison's Future**  
Improved sustainability and quality open spaces on campus lead the development plan for the coming years  
By Justin Alt
- 20 3D Printing: The Gateway into the Future of Design**  
A look into the 3D printers at UW-Madison and what the surrounding area offers to aspiring designers  
By Kate Slattery
- 22 Radioisotopes: Not the dangerous materials you might think they are**  
A look at Molybdenum-99 and how the Morgridge Institute for Research wants to manufacture it  
By Nathan Vogel
- 24 The Future of Print**  
With eBooks gaining popularity, will printing companies become a thing of the past?  
By Amanda Brylski
- 26 Concrete Logic**  
The UW-Madison Concrete Canoeing Team's quest to make concrete float  
By Matt Latuszek
- 28 What's Next: The Future of Vehicle Transportation**  
A discussion about the near future of motor vehicles  
By Heather Ruhl
- 30 Looking to the Future in Reverse**  
Meet the Badgers who have led the way in science and engineering innovation since 1873  
By Ashley Bredemus

Cover photo by Kimberly Callan

## Commentary

- 3 Letter from the Editors**  
By Jackie Hill and Danielle Shepard
- 3 Editorial**  
By Jackie Hill
