My dear Miss James,

I prefer that the Convention be called in Madison and should meet in January instead than in December.

Did the plan to unite the two suffrage organizations face Mrs. P[roctor] for why?

The list of questions in regard to the "late campaign" will be answered and sent you by the 15th inst.

The two delegates from Janesville or Rock Co. are Mrs. Janet B. Day and Mrs. J. W. Laughlin.
The alternates are Miss Florence Palmer and Miss Alden, all of Janesville.

I hope you have observed that we carried Rock Co. almost ‘by the skin of our teeth.’ Beloit’s workingmen saved the day. Janesville’s saloon men turned us down by 11 votes. We have 56 saloons.

Best wishes,

Mrs. J.W. Laughlin
