Drunkards V. Ark
is a good address,

Gov. Wilson said in
speech — in N. Jersey,
& Illinois, — reported in
N. York paper: —

"I rejoice that women
are taking an active
part in politics.

They are the ones who
have to do the skimp-
ing to make both ends
meet in the High
Cost of living days.

They will show us
as men never have

2

The economic con-
tact between politics
and life.

Their help will
be indispensable.
