

[1912]

Dear Lady:

Here is Five Dollars
of the Ten that our
Committee voted the State
organization. And if
you are willing, we
will count the other
Five the Five that the
League owes us - on

Our Luggage tent at the
Fair, this amount having
been due us, ^{you will} remember
then we should settle
for the washing machines
these will be sent to
you at once - we only
sold one mdp. -

Faithfully

Mrs Cole

At a Y. M. C. A. dinner
here last night, Luggage
was mentioned (instigated)

and at a Masonic
banquet night before
last (uninstigated) and
two times they applauded!
