FIRE DEPARTMENT.
Everet E. Goss, Chief.
Central Station, 613 Fourth Street.
East Side Station, 1070 College Avenue.

To Give An Alarm:—Go to the nearest box, break glass in box, take key and unlock box, then pull down once on the hook which is in plain sight and the alarm is given.
The first stroke or strokes of the fire bell designate the ward from which the alarm is turned in; it also designates the first figure of the box number. This is followed by a brief pause, and the remaining strokes indicate the second figure of the box number—thus: 1 stroke, pause followed by three strokes, means First Ward, box No. 13; fire out, 1—1; more pressure, 2—2; more help, 3—3.
