It's Bigger Now

The "Steam Boiler Works" is now one of the allied plants of the Manitowoc Shipbuilding Corporation
You don't reap with a Scythe

You don't read by a tallow dip,
You don't write with a quill pen.

WHY, THEN, do you expect your wife to Bake and Preserve with a Hot, Dirty Coal or Oil Stove? The hot summer months are here—if you have not done so already, now is the time to see to it that she has a Gas range with which she may enjoy the hours spent in the kitchen.
