Motor Across Lake Michigan

Each season thousands of tourists, either east or west bound, who desire to save a days time and also avoid the traffic jam in Chicago, ship their autos across lake Michigan on the large carferries. It is a delightful five hour trip, the sea, especially in the summer months, is as smooth as an inland lake.

The rates for passengers from Manitowoc to Frankfort Via the Ann Arbor line is $2.50 one way, $4.00 round trip. Auto rates are as follows: 115 inch wheelbase $4.50, 115 but under 122 inch $5.50, 122 inch but under 129 inch $6.50, over 129 inch $7.50. Boats leave about 9 A. M. and 10 P. M.

Pere Marquette Line to Ludington, Mich.

The Pere Marquette boats leave between two and four A. M. and P. M. No perfect schedule is maintained however. The rates to Ludington are approximately the same as those mentioned above. Meals are served aboard ship if desired.

The Goodrich Transit Company

The Goodrich Transit Company operate a large fleet of steamers on the east and west shore of lake Michigan. Their steamers provide daily freight service to and from Chicago and Milwaukee. The Goodrich steamers also provide passenger service between Chicago, Manitowoc and Mackinac island. The Boats receive their repairs and renovation at the company’s yards in this city.

The Westports Steamship Company operates a fleet of small steamers between Chicago and Milwaukee and Manitowoc and they also provide daily freight service.
