THE GREAT AMERICAN KNITTER.
ROBERT'S FAMILY KNITTING MACHINE.

This is the most complete and rapid knitting machine in the world. Sets up its own work. It sets up a full sized stocking in a quarter of a minute. It is positively the only machine that can knit a whole, double heel. It will knit Plain, Ribbed or Seamed, close or open work of all sizes, with either coarse or fine yarn of woolen, cotton, linen or silk. It will knit figure patterns. It knits with one, two or three threads, at the same time. It narrows and widens, knitting a beautiful shaped stocking. It knits an endless variety of articles. It is so simple and easily worked that a child can learn to knit with it. It is not liable to get out of order, and is the most durable machine manufactured.

Every machine is shipped ready for running, and a Pamphlet of Instructions which will enable anyone to knit is sent to each purchaser. We pay a larger commission than any other company.

Agents wanted in every town in the North-west. Address, with stamp, GEO. B. LEONARD, Gen. Agent.

Office on King Street, over Park's Book Store, Madison, Wis.
