We, the people of the town of Mount Vernon, Wisconsin, would like to thank all of the following area businesses and families for your generous support of our 150th Sesquicentennial Celebration. Your contribution has made it possible for us to assemble onto these pages the historic events of this community, and to record the families who have been a part of those events. We hope that you will enjoy reading this book, and that your memories will be sparked by the contents of its pages. We hope too, that you will be able to join us in the celebration festivities in Mount Vernon this October 4th, 5th and 6th, 1996. Thank You!
