SHEBOYGAN STREET DIRECTORY.

The city of Sheboygan is divided into two divisions, the North side and the South side, the river being the dividing line.
The streets running north and south have numbers, beginning at the lake, and are called on the North side, North 1st street, North 2nd street, etc.; on the south side, South 6th street, South 7th street, etc.
The streets running east and west are called avenues. Short streets are called courts.

The houses in the city are numbered according to the Philadelphia plan, that is, 100 numbers are counted for each block. On streets running north and south the even numbers are on the west side of the street, and the odd numbers are on the east side. On streets running east and west the even numbers are on the north side of the street and the odd numbers are on the south side.

For numbering the houses on the streets running east and west, No. 1 is at the shore of Lake Michigan, east of 1st street. Nos. 101 and 102 are always the corners of the street running east and west and 1st street, and 100 numbers are added to each block from the lake. Thus we have on these streets the following numbers:

Between 1st and 2nd streets, from 100 upward; between 2nd and 3rd streets, from 200 upward; between 3rd and 4th streets, from 300 upward; between 4th and 5th streets, 400 upward; and so forth. This plan is the same for the north side and the south side.

For numbering the houses on the north side on the streets running north and south, the most southern bend of the river at 5th street bridge is taken for a basis and called No. 1; 100 numbers are added for each block north from this point. Thus the intersection of N. 8th street with the following avenues have the following numbers:

Maryland ave. .............. 101 Niagara ave. .............. 901
New Jersey ave. ............ 201 Ontario ave. .............. 1001
Virginia ave. .............. 301 Erie ave. .............. 1101
Jefferson ave. .............. 401 St. Clair ave. .............. 1201
Pennsylvania ave. ........... 501 Michigan ave. .............. 1301
Center ave. .............. 601 Huron ave. .............. 1401
New York ave. .............. 701 Superior ave. .............. 1501
Wisconsin ave. .............. 801

The same rule applies to all other streets running north and south on the north side.

For numbering the houses on the south side, on the streets running north and south, the most northern bend of the river, on S. 14th street bridge, is taken for a basis and called No. 1; 100 numbers are added for each block south of this point. Thus the intersections of S. 14th streets with the following avenues have the following numbers:

Niagara ave. .............. 101 New Jersey ave. .............. 801
Wisconsin ave. .............. 201 Maryland ave. .............. 901
New York ave. .............. 301 Indiana ave. .............. 1101
Center ave. .............. 401 Kentucky ave. .............. 1201
Pennsylvania ave. ........... 501 Alabama ave. .............. 1301
Jefferson ave. .............. 601 Georgia ave. .............. 1401
Virginia ave. .............. 701

This same rule applies to all other streets running north and south on the south side.
