Appendix

Table G-7 Population Projections for Washington County by Age and Sex:
High-Growth Scenario, 2000, 2010, and 2020 ............................................. 195
Table G-8 Population Projections for Waukesha County by Age and Sex:
High-Growth Scenario, 2000, 2010, and 2020 ............................................. 195
Table G-9 Population Projections for the Region by Age and Sex:
Table G-10 Population Projections for Kenosha County by Age and Sex:
Table G-11 Population Projections for Milwaukee County by Age and Sex:
Intermediate-Growth Scenario, 2000, 2010, and 2020 ................................ 197
Table G-12 Population Projections for Ozaukee County by Age and Sex:
Intermediate-Growth Scenario, 2000, 2010, and 2020 ................................ 197
Table G-13 Population Projections for Racine County by Age and Sex:
Table G-14 Population Projections for Walworth County by Age and Sex:
Table G-15 Population Projections for Washington County by Age and Sex:
Table G-16 Population Projections for Waukesha County by Age and Sex:
Table G-17 Population Projections for the Region by Age and Sex:
Low-Growth Scenario, 2000, 2010, and 2020 ............................................. 200
Table G-18 Population Projections for Kenosha County by Age and Sex:
Low-Growth Scenario, 2000, 2010, and 2020 ............................................. 200
Table G-19 Population Projections for Milwaukee County by Age and Sex:
Low-Growth Scenario, 2000, 2010, and 2020 ............................................. 201
Table G-20 Population Projections for Ozaukee County by Age and Sex:
Low-Growth Scenario, 2000, 2010, and 2020 ............................................. 201
Table G-21 Population Projections for Racine County by Age and Sex:
Low-Growth Scenario, 2000, 2010, and 2020 ............................................. 202
Table G-22 Population Projections for Walworth County by Age and Sex:
Low-Growth Scenario, 2000, 2010, and 2020 ............................................. 202
Table G-23 Population Projections for Washington County by Age and Sex:
Low-Growth Scenario, 2000, 2010, and 2020 ............................................. 203
Table G-24 Population Projections for Waukesha County by Age and Sex:
Low-Growth Scenario, 2000, 2010, and 2020 ............................................. 203

LIST OF TABLES

Table Chapter II Page

1 Population Trends in the Region, Wisconsin, and the United States: Census Years 1850-1990 .................................................. 8
2 Population Density of the Region, Its Counties, and Wisconsin: Selected Census Years 1850-1990 .................................................. 8
4 Urban and Rural Population in the Region: Census Years 1850-1990 .............................................................................. 14
5 Population Trends in Kenosha County: Census Years 1850-1990 ............................................. 21
6 Population Trends in Milwaukee County: Census Years 1850-1990 ............................................. 22
7 Population Trends in Ozaukee County: Census Years 1850-1990 ............................................. 23
Table 8
Population Trends in Racine County: Census Years 1850-1990 ........................................ 24
Population Trends in Walworth County: Census Years 1850-1990 ........................................ 25
Population Trends in Washington County: Census Years 1850-1990 ........................................ 26
Population Trends in Waukesha County: Census Years 1850-1990 ........................................ 27

Chapter III

12 Generalized Age Composition of the Population in the Region: Census Years 1930-1990 ........................................ 32
13 Age Composition of the Population in the Region: Census Years 1950-1990 ........................................ 34
16 Total, Child, and Aged Dependency Ratios of the Population in the Region: Census Years 1950-1990 ........................................ 37
17 Age Composition of the Population in Kenosha County: Census Years 1950-1990 ........................................ 38
18 Median Age of the Population in Kenosha County and the Region: Census Years 1950-1990 ........................................ 39
19 Dependency Ratios of the Population in Kenosha County and the Region: Census Years 1950-1990 ........................................ 39
20 Age Composition of the Population in Milwaukee County: Census Years 1950-1990 ........................................ 40
21 Median Age of the Population in Milwaukee County and the Region: Census Years 1950-1990 ........................................ 41
22 Dependency Ratios of the Population in Milwaukee County and the Region: Census Years 1950-1990 ........................................ 41
23 Age Composition of the Population in Ozaukee County: Census Years 1950-1990 ........................................ 43
24 Median Age of the Population in Ozaukee County and the Region: Census Years 1950-1990 ........................................ 44
25 Dependency Ratios of the Population in Ozaukee County and the Region: Census Years 1950-1990 ........................................ 44
26 Age Composition of the Population in Racine County: Census Years 1950-1990 ........................................ 44
27 Median Age of the Population in Racine County and the Region: Census Years 1950-1990 ........................................ 45
28 Dependency Ratios of the Population in Racine County and the Region: Census Years 1950-1990 ........................................ 46
29 Age Composition of the Population in Walworth County: Census Years 1950-1990 ........................................ 46
30 Median Age of the Population in Walworth County and the Region: Census Years 1950-1990 ........................................ 47
31 Dependency Ratios of the Population in Walworth County and the Region: Census Years 1950-1990 ........................................ 48
32 Age Composition of the Population in Washington County: Census Years 1950-1990 ........................................ 48
33 Median Age of the Population in Washington County and the Region: Census Years 1950-1990 ........................................ 50
34 Dependency Ratios of the Population in Washington County and the Region: Census Years 1950-1990 ........................................ 51
35 Age Composition of the Population in Waukesha County: Census Years 1950-1990 ........................................ 51
36 Median Age of the Population in Waukesha County and the Region: Census Years 1950-1990 ........................................ 52
37 Dependency Ratios of the Population in Waukesha County and the Region: Census Years 1950-1990 ........................................ 53
38 Sex Ratios of the Population of the Region by County and by Urban/Rural Residence: Census Years 1950-1990 ........................................ 54
Table

39 Total Population over and under the Age of 65 by Sex in the Region: Census Years 1950-1990 ........................................... 55
40 Marital Status of Males and Females in the Region by County: Census Years 1950-1990 ........................................... 56
41 Married-Couple and Female-Headed Families in the Region by County: Census Years 1970-1990 ........................................... 58
42 Families by Presence of Children under 18 Years of Age in the Region by County: Census Years 1970-1990 ........................................... 58
43 Number of Households in the Region by County: Census Years 1950-1990 ........................................... 59
44 Household Population in the Region by County: Census Years 1950-1990 ........................................... 60
45 Average Household Size in the Region by County: Census Years 1950-1990 ........................................... 61
46 Single-Person Households in the Region by County: Census Years 1970-1990 ........................................... 62
47 Family Households in the Region by County: Census Years 1970-1990 ........................................... 63
48 Educational Attainment Levels of the Population 25 Years of Age and Older in the Region by County: Census Years 1950-1990 ........................................... 64
49 Occupation of Employed Persons in the Region by County: Census Years 1950-1990 ........................................... 66
52 Racial Composition of the Region by County: Census Years 1950-1990 ........................................... 72
53 Persons of Hispanic Origin in the Region by County: Census Years 1980-1990 ........................................... 74
54 Nativity of the Population in the Region by County: Census Years 1960-1990 ........................................... 74

Chapter IV

55 Births, Deaths, and Natural Increase for the Region by County: 1920-1990 ........................................... 80
56 Crude Birthrates, Death Rates, and Natural Increase Rates for the United States, Wisconsin, and the Region and Its Counties: Census Years 1920-1990 ........................................... 82
57 Age-Specific Fertility Rates and Total Fertility Rates for the United States, Wisconsin, and the Region and Its Counties: Census Years 1960-1990 ........................................... 87
58 Age-Sex-Specific Mortality Rates for the United States, Wisconsin, and the Region and Its Counties: Census Years 1960-1990 ........................................... 89
59 In-Migration, Out-Migration, and Net Migration between 1985 and 1990 of Persons Five Years of Age and Older in 1990 for U. S. Regions ........................................... 90
60 Persons Five Years of Age and Older Living in Wisconsin in 1990, but Not in 1985, by Other Place of Residence in the United States in 1985 ........................................... 91
61 Persons Five Years of Age and Older Living in Wisconsin in 1985, but Not in 1990, by Other Place of Residence in the United States in 1990 ........................................... 92
62 Estimated 1985-1990 Net Migration of Persons Five Years of Age and Older in 1990 between Wisconsin and Other Places in the United States ........................................... 92
63 Change in Population and Net Migration for Metropolitan and Nonmetropolitan Wisconsin Counties: Census Years 1950-1990 ........................................... 93
64 Net Migration for the Region by County: 1920-1990 ........................................... 94
65 Persons Five Years of Age and Older Living in Selected Geographic Areas in the Southeastern Wisconsin Region or Jefferson County in 1990, but Not in 1985, by Other Areas of Residence in 1985 ........................................... 95
66 Persons Five Years of Age and Older Living in Selected Geographic Areas in the Southeastern Wisconsin Region or Jefferson County in 1985, but Not in 1990, by Other Areas of Residence in 1990 ........................................... 95
67 Persons Five Years of Age and Older Changing Residence between Selected Geographic Areas in the Southeastern Wisconsin Region or Jefferson County by Area of Residence in 1985 and 1990 ........................................... 96
Chapter V

High-Growth, Intermediate-Growth, and Low-Growth
Population Projections for the Region: 1990-2020

Expected Population Ages 45-64 for the Region: 1990-2020

Expected Population Ages 65 and Over for the Region: 1990-2020

Expected Population Ages 0-19 for the Region: 1990-2020

Expected Population Ages 20-44 for the Region: 1990-2020

Composition of the Regional Population by Age Group and Sex: 1990 and 2020
High-Growth, Intermediate-Growth, and Low-Growth Projections

Actual and Projected Population Levels
in the Region by County: 1990, 2000, 2010, and 2020

Actual and Projected Black Population Levels in the Region by County: 1950-2020

Comparison of Commission 2020 Alternative Population
Projections with Population Forecasts and Projections from
Other Sources for the Region: Stage Years 2000, 2010, and 2020

Historical and Projected 2020 Households
and Average Household Size in the Region

Actual and Projected Total Jobs, Percentage of Multiple Job Holders, Unemployment
Rate, and Labor Force Participation Rates for the Region: 1970-2020

LIST OF FIGURES

Chapter I

1 The Traditional Approach to Long-Range Systems Planning .......................... 1
2 Alternative Futures Analysis ................................................. 2
3 Comparison of SEWRPC 1966, 1972, and 1974 Population
Forecasts and Actual Population Levels for the Region: 1950-2000 ................ 4
4 Comparison of SEWRPC 1984 Population Projections, the 1991 Population
Forecast, and Actual Population Levels for the Region: 1950-2010 ............. 5

Chapter II

5 Urban and Rural Population in the Region: Census Years 1850-1990 ............. 15
6 Resident Population Levels for the Region and Constituent Counties: 1850-1990 19
7 Population Density for the Region and Constituent Counties: 1850-1990 ......... 20

Chapter III

9 Lexis Diagram ............................................................. 33
10 Total Population by Functional Age Group in the Region: Census Years 1950-1990 36
11 Percentage Distribution by Functional Age Group
of Population in the Region: Census Years 1950-1990 .......................... 36
12 Total Population by Functional Age Group
in Kenosha County: Census Years 1950-1990 ....................................... 37
