TO THE HONORABLE BOARD OF SUPERVISORS:
Dane County, Wisconsin

Gentlemen:

It is my pleasure to present to you the first annual report of the County Home Agent, for the year February 15, 1941 to November 1, 1941.

The Home Agent conducts her work as authorized by the Smith-Lever Act, 1914 -

"That cooperative agricultural extension work shall consist of the giving of instruction and practical demonstrations in agriculture and home economics to persons not attending said Colleges in the several communities and imparting to such persons information on said subjects, through field demonstrations, publications, and otherwise; and this work shall be carried on in such a manner as may be mutually agreed upon by the Secretary of Agriculture, and State Agricultural College or Colleges receiving the benefits of this Act..."

Any accomplishments noted in this report have not been reached through the efforts of the Home Agent alone, but are the results of fine community cooperation.

The Home Agent hopes to help rural families in every corner of the county. While it is impossible to reach them all individually, efforts are being made to meet as many requests as possible through demonstrations, discussions, radio, newspaper releases, conferences, and bulletins. These will be more effective as our citizens become more familiar with this program planned for them.

Respectfully submitted,

Violet V. Blodau
