11. How to secure cooperation of parents in character training .............................................. 2

II. EXTRA-CURRICULAR ACTIVITIES ......................................................... 351
A. School Entertainments ................................................. 127
1. How to plan and prepare a program for the closing day ...................................................... 21
2. How to make a picnic enjoyable to all ................................................................. 20
3. How to prevent programs from interfering with regular work ......................................... 16
4. Where to find suitable material for programs ................................................................. 14
5. How to choose children for parts without causing dissatisfaction either among pupils or parents... 8
6. How to interest pupils in taking part in programs 7
7. How to give programs when school has a very small enrollment 7
8. How many programs should one have during the year 7
9. How to plan and conduct Arbor Day Programs 7
10. How to organize play day and field day events besides regular work 5
11. How much school time is one warranted in taking for school programs 4
12. How to secure proper conduct of those attending 3
13. How to plan an appropriate program for Memorial Day 3
14. Wherein lies the particular value of school programs or entertainments 2
15. How to make preparation for Mother's Day 2
16. How to spend the money raised by programs to best advantage 1

B. School Societies

1. How to organize and conduct a school society in an orderly worth while manner 32
2. How to plan Good Friday afternoon programs 28
3. How to stimulate interest in a school society 8
4. How to vary the literary meetings 6
5. When should meetings of the school society be held 5
6. How much time should be devoted to a school society 5
7. How to secure adequate preparation of those taking part in programs 4
8. How to make a school society more profitable next year 3

C. Fair Work, Credit Work, and Contests

1. Problems relating to collecting, mounting and filing of Fair material 17
2. How to supervise Credit work without taking too much time from the class period 5
3. How to get the pupils, who will represent the school in the contests, drilled or prepared 4
4. How can a pupil not interested in competition be made to see the value, other than the prize money, of Fair work
5. Need of a definite place on the program for promoting County Fair exhibits
6. How to prepare Credit work for inspection
7. How to check Credit work and Fair work to be sure that it is the pupil's own work

D. Parent-Teacher Associations

1. What are suggestive things to do at Parent-Teacher meetings
2. How to organize a Parent-Teacher Association
3. How to maintain harmony among the members of the organization
4. How to secure election of active officers
5. How to secure large attendance at meetings
6. How to secure interest of parents in a Parent-Teacher Association
7. How to develop a live Parent-Teacher Association where there is lack of local talent
8. How can a good community spirit be developed when there is a strong political faction to deal with
9. How to eliminate the idea that the teacher will do all the work and that only amusing programs shall be presented

E. Miscellaneous Extra-Curricular Activities

1. How to organize 4-H club work successfully
2. Should a teacher encourage and conduct Junior Red Cross work
3. What position to take in regard to dancing in the school building
4. How to conduct school exhibits
5. How to cooperate with the county nurse

III. RELATIONS WITH THE SCHOOL BOARD

1. How to secure the cooperation of the school board in securing necessary equipment and supplies
2. How to secure the cooperation of the school board in making the necessary repairs
3. How to secure the cooperation of the school board in cleaning the schoolhouse at frequent intervals
SECTION IV—COMMUNITY RELATIONSHIP PROBLEMS 73

4. How to manage to see members of the school board at intervals 8
5. What to do when there is friction between the school board members 4
6. Can textbooks be changed without the sanction of the school board 1
7. How to get the school board to have the playground equipment repaired 1
8. Should a school board wait until after the eighth grade county examinations before they ask a teacher back 1

IV. PERSONAL PROBLEMS OF TEACHER 82

1. How to avoid being implicated in neighborhood differences 12
2. How much time to spend on professional reading 9
3. Should I return to this school for another year 9
4. The board does not say anything about rehiring or discharging me. What should I do 8
5. How to find a good boarding place near schoolhouse 7
6. How much money should a teacher spend for materials needed in conduct of school 7
7. What to do when conditions at boarding place are not conducive to work 6
8. How much time to spend on school work outside school hours 5
9. What to do when continually annoyed by book agents 4
10. Should a teacher attend social functions on school nights 3
11. How to get acquainted with the parents 3
12. How much money to spend for professional advancement 2
13. Is it still considered essential for a rural teacher to live in the district 1
14. How much credit does a teacher get for working overtime after school and at night 1
15. How can I convince the patrons that teaching is work 1
16. Would it be possible to arrange the rural school schedule so all teachers would be free to go to summer school 1
17. Shall I take subjects at summer school for college credit or take those that will raise the grade of my certificate 1

18. How to report on Teachers' Reading Circle Books 1

19. How to keep my enthusiasm 1

* These problems are due to the program in use in Wisconsin rural schools. Classes for third and fourth grades, fifth and sixth grades, seventh and eighth grades are combined in certain subjects and the subject matter content is alternated by years. Therefore, the subject matter on which pupils fail is not repeated the succeeding year. Provision for review for a failing child is very difficult.
