TO ADVERTISERS.

It is conceded by business men that advertising in class publications ensures greater returns for money invested than advertisements placed before the public in any other way or through other mediums. THE LUMBERMAN is the only journal in the State devoted exclusively to Lumbering interests, and is, even with the first number, widely circulated. It will find its way to the hands of every Lumberman and Manufacturer in the State, and will become one of the best Advertising Mediums in the West.

Examine our rates, and send any desired form of advertisement. Special care and taste exhibited in display.
