First Session of the Fourth Legislative Assembly, 1842-43.

[The two Houses organized on the 5th of December, 1842, but the Governor (J. D. Doty) refused to communicate with them, as a body legally assembled, according to the act of Congress, as no appropriation for that object had been previously made by Congress. The Houses continued in session until the 10th day of December, when they adjourned until the 30th of January, 1843, when they again met, and continued in session until February, 1843, when they adjourned until March 6, 1843, on which latter day, they again convened, as well in pursuance of their vote of adjournment, as in pursuance of the Governor's Proclamation, calling them together as of a special session, on that day. Of this intention of the Governor, they had been apprised by resolutions referring to his Proclamation, introduced by one of their members at their first session. The Houses continued in session subsequently until the 25th day of March, when they adjourned without day. Both Houses again assembled on the 27th day of March, as of the second session, and adjourned on the 17th of April, 1843. The session was held at Madison. Officers the same in both sessions.]
