HOSPITALITY TEA
600 Washington Street

True to early settler hospitality, Mr. and Mrs. Peter Sinsel have graciously opened their home to interested visitors this afternoon from 3:00 to 5:00.

A portion of this beautiful home was erected in 1838, soon after the land upon which it stands was granted to Mr. Wade by the United States Government. Though it has since been the home of many a happy family and been altered to meet the needs of the occupants, the architecture and "homeiness" have remained.
