## Robert E. Gard

Robert E. Gard is widely recognized for his interest in preserving the history of American regions, an interest which began when he was a boy growing up on a farm in Kansas. Since 1945 he has been a professor at the University of Wisconsin—Madison where he has directed various programs in cultural arts and native literature. He is the founder of the Wisconsin Idea Theater, an internationally known movement to spread the idea of a native American Drama. He is the author of some forty books.
