TO THE PRINTER:

HE Type and Borders shown in this specimen book excel in design—the chief merit of type—and their durability is as-

—sured by the use of the celebrated Copper Alloy Type Metal ❀❀❀❀❀❀❀❀❀❀

❀ The selection of styles of Type illustrated in this book excels in both variety and utility the combined product of all other type foundries ❀❀❀❀❀❀❀❀❀❀

❀ A printing office completely supplied with the products of this Company is worth far more for either use or sale than one made up from the productions of incomplete type foundries ❀❀❀❀❀❀❀❀❀❀

❀ It is conceded that the Type made by this Company is the standard for excellence throughout the world. Every endeavor is made to advance that standard ❀❀❀❀❀❀❀❀❀❀

❀ As the largest purchaser of Printing Machinery and Materials in the world, this Company commands the best of everything for the printer, and has unsurpassed facilities for meeting the requirements of printing offices ❀❀❀❀❀❀❀❀❀❀
