HE

*Can give a good reason
owns his farm but no
can give a good
why he does not
one*

*"Be sure you are right
Then go ahead"*

JOHN P. HUME

Of Marshfield, Wisconsin, is one of the pioneers in the development and settlement of central and northern Wis-

consin and hundreds of farmers in Wood,

Clark and Marathon counties can testify

to his reliability. If you want to

locate on these locations, get a larger farm for

yourself or your boys; if you want to

locate for yourself in a small way write

and we will aid you in every way.
