

JOHN B. BOTTINEAU, REAL ESTATE,

Insurance and Loan Agent.

**OFFICE, Ground Floor, East Entrance, CITY HALL,
MINNEAPOLIS, MINNESOTA.**

Special attention given to paying taxes, procuring and perfecting titles to lands entered by HALF-BREED SCRIP. Soldiers' 80-Acre Claim and Warrants bought and sold. Personal application, under Chippewa Treaty, Feb. 22, 1855, to enter Land always on hand, by which I can enter Pine Lands in Minnesota at \$2.50 per acre.

Persons having numbers, or expecting such, will do well to give us a call or correspond. Letters will receive prompt attention.

Also owners of Pine or other Land, who wish to dispose of the same, will find I am in a position to make speedy sales.

Choice Timber Land.

In Townships 153 to 160 inclusive, Range 50, situated between the St. Vincent Extension of the St. Paul and Pacific Railroad and the Red River of the North, on which latter there is constant traffic, and where the surrounding country is somewhat deficient in timber, I have 10,000 acres of land, first-class black loam and alluvial soil, surpassing any tract in the State for the production of wheat and farm produce. Specimens of the produce of this locality at the last State Fair took the first prizes. The above tract is heavily timbered with White and Burr Oak, averaging at least 4,000 feet select timber to the acre on which the government in adjoining tracts collects stampage at \$3.00 per thousand feet. The lumber is not only in demand for local consumption, but finds a ready market in Pembina and the Province of Manitoba, where also timber is scarce, and to which there is wheat carriage.

Extra inducements to capitalists will be offered in the above lands for joint operations.

I have also for sale 1,120 acres in township 130, range 34 and 35. First quality Farming Lands, well timbered and prairie and well watered; near railroad. \$5.00 per acre.

Choice Pine Lands.

6,331 acres, on which stand 27,710,000 feet of choice lumber, all within four miles of landing, in tract as follows:

160 acres in sec. 24.....	T. 182, R. 30	240 acres in sec. 10, 14, 21.....	T. 132, R. 31
400 acres in sec. 21, 22, 30.....	T. 187, R. 33	360 acres in sec. 14, 18, 24.....	T. 132, R. 31
440 acres in sec. 1, 12.....	T. 187, R. 34	240 acres in sec. 30.....	T. 40, R. 25
160 acres in sec. 10, 22, 24, 34.....	T. 187, R. 33	380 acres in sec. 3, 22, 24, 25.....	T. 40, R. 29
877 acres in sec. 6, 11, 13, 14, 24, 25, 33, 34.....	T. 183, R. 25	320 acres in sec. 6, 10, 28, 34.....	T. 51, R. 26
160 acres in sec. 8.....	T. 187, R. 38	360 acres in sec. 10, 14, 26, 34.....	T. 51, R. 27
240 acres in sec. 4, 18.....	T. 131, R. 30	320 acres in sec. 14, 22, 26, 30, 34.....	T. 53, R. 26
480 acres in sec. 10, 14, 24.....	T. 131, R. 31	160 acres in Wisconsin sec. 30, T. 44, R. 2 W., near	
200 acres in sec. 18.....	T. 132, R. 30	crossing of Wisconsin C. R. R.	

Prices range from \$4.50 to \$12.50 per acre.

1,000 acres estimated to cut 5,000,000 feet of White Pine, in townships 129 and 130, range 32. Will be sold cheap to close a partnership.

Have also several hundred acres that have been partly cut, some years ago, which at the prices asked would be a good paying investment.

And several thousand acres of choice Pine Lands tributary to Duluth markets.

The Northwestern Lumberman,

ISSUED ON THE FIRST OF EACH MONTH AT CHICAGO,

THE GREATEST LUMBER MARKET IN THE WORLD.

Contains authentic and exhaustive reports and price currents from every important lumber market in the country, prepared by our own correspondents. Special information pertaining to the LUMBER TRADE and MANUFACTURE in every section, and the introduction of new and improved machinery for wood-working and saw-mill use, made a peculiar feature. Printed upon fine tinted paper and handsomely bound, the LUMBERMAN challenges comparison in typographical appearance, with any trade journal in the country. Only TWO DOLLARS a year; payment invariably in *advance*. One of the best advertising mediums in the world for manufacturers of saw-mill or wood-working machinery. Rates liberal and will be made known upon application. Sample copies furnished free.

Address, *NORTHWESTERN LUMBERMAN,*

500,000 ACRES OF PINE AND
FARMING LANDS

FOR SALE!

The lands of the Jackson, Lansing & Saginaw
Railroad Company are now in market.

They are situated along its railroad, and contain
tracts of the best Pine on the Tittabawassee, Rifle,
Muskegon, Manistee, Au Sable, and Cheboygan
Rivers. The grant having been made before any
considerable quantity of pine land had been located
in the northern part of the state, it now includes
some of the finest and choicest

WHITE PINE TIMBER,

AND BEST

NORWAY PINE.

The FARMING LANDS include many thousand acres
of first-rate

BEECH AND MAPLE LANDS.

No better can be found, and they are well watered,
and located where they will have the best railroad
facilities. No section of the country offers greater
inducements to the settler than the above lands.

Terms For Sale.]

One-fourth down, and the remainder in three
equal annual installments, with interest annually at
7 per cent. Farming lands will be sold on longer
time if desired. For list of lands, further informa-
tion, or purchase, apply to the undersigned at LANS-
ING MICH.

O. M. BARNES,
Land Commissioner.

We Make a Specialty of the Lumber Trade.

IMPORTANT TO MILL OWNERS AND MACHINISTS.**Vulcanized Friction Board**

We desire to call attention to our celebrated VULCANIZED FRICTION BOARD, as a substitute for Leather and Rubber, in Packing, and for Friction Pulleys. It is only a comparatively short time since this article was introduced, but its use is already rapidly superseding that of Leather and Rubber, on account of both its greater cheapness and greater durability, costing less than one-third the price of Leather and one-sixth that of Rubber, and wearing more than double the time. It is absolutely the ONLY article to make a good friction against iron, as it will not slip like leather or wood. It is put up in 50 lb. bundles, in the following SPECIAL sizes:

33x44 inches, 5, 6, 8 and 10 sheets to bundle.
 19x29 " 20, 25, 30 and 35 sheets to bundle.
 22x26 " 15, 20, 25, 30 and 35 sheets to bundle.

Nos. 5 and 6 are about $\frac{1}{2}$ of an inch thick, and are those most used, and will usually be found the most available for all purposes. For mill men and machinists, for pulleys and packing, and to foundries for raising patterns, this article is almost indispensable, and in all our experience we have never found parties, who having used it, would return again to the use of wood, rubber or leather.

The following parties have used it largely, and will doubtless recommend it to all who may inquire regarding it:

FILER, STOWELL & CO.,
Foundries and Machinists, Milwaukee.

W. H. HINER & CO.,
Foundries and Machinists, Fond du Lac.
