

The annual meeting of this association occurs during the second term of the Winter Course and the students are given an opportunity to attend the meetings and to become members. R. A. Moore is secretary of the association.

The Wisconsin International. The Wisconsin International put on by the Saddle and Sirloin Club is an event that shows the real mettle of the Winter Course boy. The competition is keen in the show ring and a large share of the prizes are won by the Winter Course boys.

Closing Day Exercise

Students who compete the studies of the Winter Course in a satisfactory manner will be granted Winter Course certificates duly signed by the President of the University and Dean of the College of Agriculture.

For the last ten years the certificates have been presented at the Closing Day exercises held on the last day of the course. Some prominent speaker is procured to give the address and special music is furnished for this occasion.

Winter Courses at the College of Agriculture

The General Farming Course—See page 18 and 19. This is our main course requiring two winters of 15 weeks each and 36 credits to receive the certificate. Each winter is divided into three terms. The first year is a requirement for all who are not high school graduates or its equivalent. In the second year and extended schedule on page . . . are suggestions for those who wish to take a third winter at the College. Upon completion of the third year a special certificate is granted.

The Winter Dairy Manufacturers Course.—A 12 weeks' course beginning the first week in November and continuing until the latter part of January is open to persons who have had at least six months' experience in a creamery or cheese factory. The course leads to buttermaking, cheese making or city-milk supply. A special circular may be secured by addressing H. C. Jackson, Dairy Department.

The Summer Dairy Manufacturers Course.—Is intended for beginners or those having little practical knowledge of creamery or dairy work. Students are admitted at any time
