## THE GUBERNATORIAL VOTE

*At each Election since the Organization of the State.*

NOTE.—In the following tables where no figures are given opposite the counties, in either of the columns, the counties were either unorganized in those years, or their votes are included with those of other counties to which they were attached, or no returns were received or canvassed of votes which may have been cast. In cases where votes were cast, but not canvassed, such votes are given as far as possible, and are designated thus (\*), but they are not included in the footings, except in the first two elections, in which the footings include all the returns found on file in the Secretary's office. In 1866, the name of La Pointe county was changed to Bayfield. In 1862, the name of Bad Ax county was changed to Vernon. In 1869, the name of Dallas county was changed to Barron.

## COMPLETE VOTE FOR PRESIDENT

AT EACH ELECTION FOR THE PAST THIRTY-TWO YEARS.

In the following table is given the actual vote for Grant and Greeley Presidential Electors at the late Presidential election. The highest vote cast on each ticket has been taken wherever obtainable. In Georgia and a few other States the average vote is given. Under the head of "scattering" are included the votes of O'Connor and Black, the straight-out Democratic and Temperance candidates. Their vote, however, has not been returned from all the States. In the case of Louisiana, the vote is given as declared by the Lynch-Longstreet Returning Board. The figures as declared by Warmoth's Returning Board were: For Grant Electors, 58,252; Greeley Electors, 66,267.

\* States marked with a star did not vote in 1864 and 1868. In 1856, Maryland gave 8 votes for Fillmore. Lincoln's vote in 1864 is one short, in consequence of the death of one of the electors of Nevada. We put in the full number, 213.

† The States in this column chose electors to vote for Horace Greeley, but he having died in the interval between the election and the meeting of the electoral colleges, the electors scattered their votes as follows: Horace Greeley, 3; B. Gratz Brown, 18; Thomas A. Hendricks, 42; Charles J. Jenkins, 2; David Davis, 1. The election in Arkansas and Louisiana is contested.
