

Yrke Dec^r 21st 1841.

My dear Sir,

I have been trawling in
reply to yours of the 9th inst. in the hope
of finding some day on which I could send
you, but I am sorry to say my time is so
filled up for the next six months
that I cannot possibly through I have every
disposition for a visit to some village

Believe me
My dear Sir

Yours affectionately
John Patterson
